## INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS

To the Members of the Selectboard and Management  
Town of Goshen, New Hampshire

**Report on the Financial Statements.** We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Goshen, New Hampshire as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.<sup>1</sup>

**Management's Responsibility for the Financial Statements.** Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility.** Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluation the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluation the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

**Opinions.** In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Goshen, New Hampshire, as of December 31, 2014, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**Report on Required Supplementary Information.** Management has not presented a *Management's Discussion and Analysis* of the financial statements. Although it is not required to be part of the basic financial statements, accounting principles generally accepted in the United States of America requires it along with the budgetary information presented in the section marked *Required Supplementary Information* to be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

**Report on Combining and Individual Fund Statements and Schedules.** Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the Town of Goshen, New Hampshire's basic financial statements. The accompanying schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly presented in all material respects in relation to the basic financial statements taken as a whole.

## Cemetery Commission

The first major project of the year involved the paving of the parking lot at Mill Village Cemetery. This represents a major upgrade and improvement to cemetery function. Patrons will now be able to park up above and eliminate the need to climb the steep hill for burials and services. Thank you to the residents of Goshen who supported this project through a warrant article. Twin State Paving completed the job on budget.

Our second major project of the year involved clearing brush from the Four Corners Cemetery. Thanks to Rob Haliday and Rick McIntyre for backhoe work to complete this job. Heavy overgrowth was removed from the north section of the cemetery and loam spread and seeded so that we can now mow out to the rock wall.

A third major project involved the removal of two large trees from the new northeast section of Mill Village Cemetery. One of these was severely rotted and hanging over old gravestones. We plan to install a tool shed there next year and the trees had become a liability. Tyler Webb from Harding Hill Farm completed this project.

Our annual public meeting was scheduled for October 29. The town hall was opened and ready but an official meeting was not held due to lack of attendance by two of the commissioners. A default budget was submitted to the budget committee. Our major goal for next year is completion of the new northeast section of Mill Village Cemetery. We would like to dedicate this new section along with the rest area as part of the Goshen Old Home Day celebration. When completed this area will provide an inviting and attractive addition to town property. The additional burial space should serve the town needs for many years in the future.

Our thanks to Dan Peterson and the fire crew for burning the large brush pile at Mill Village. Also we give continued thanks to Joel and Kevin of the highway department for keeping the trash cans empty and provid-

ing ongoing support. We were not able to arrange for the spring cleanup crew from the correctional center this year. Apparently there was a shortage of staff to manage the workers. Veteran flags were replaced by Lars Nelson and Jan Parmalee. Mowing continues to be done three times a year by Serendipity.

Next year we hope to purchase a tool shed for Mill Village, install a flag pole and dedication marker, re-stripe the parking lot, install perpetual care markers, complete the new northeast section, continue brush removal and tree work at Four Corners, and begin headstone repairs at North Goshen. There were seven burials conducted this year in Goshen cemeteries. We take great pride in providing a caring and competent service for our residents in their time of sorrow and need. We thank you for your continued support of these volunteer efforts.

*Respectfully submitted,*  
Lars Nelson

## Conservation Commission

**T**he Conservation Commission maintains the trails and bridges in Williamson Park at Gunnison Lake. The trail around the lake is a popular destination for families and provides opportunities to view wildlife, go fishing, and enjoy a swim. Each year, a few couples enjoy their wedding at the lake. Nice. We have a new handout available at the town office that describes requirements for holding a wedding there (don't worry, there are very few requirements!).

The heavy fall rain caused several trees to give up and topple into the trail this year. Thanks go to Doug O'Clair for getting them out of the way. Remember, please, that our lease agreement with the state for the land around the lake strictly does not allow motorized vehicles in the summer months. Only winter snow machines are allowed. No motorized dirt bikes please. Absolutely no driving across the top of the dam! It is important for the integrity of the dam.

We have loons that visit Gunnison Lake each year. We would love for them to stay and nest, but so far that has not happened. Loons are very slow to move to new territories and there is very little good nesting shoreline on the lake. If you see the loons, please don't approach them. If they rise up and flap their wings, you have really scared them. If they have to keep moving ahead of your canoe, they can't catch and eat their own lunch. If you leave them completely alone, they may just happen by to say hello on their own.

We conduct water tests in the Sugar River South Branch, Giles Brook, and Blood Brook throughout the summer. This program is part of the State of New Hampshire's Volunteer River Assessment Program, which provides a long-term database of water quality throughout the state. Results of our testing are available on-line at: <http://des.nh.gov/organization/divisions/water/wmb/vrap/data.htm>. (Click on Gunnison Brook watershed.) As of this writing, DES has not put the 2015 data online yet. You will see that, once in a while, we find that our water is more acidic than New Hampshire surface

water quality standards. This is most likely due to acid rain, which will be buffered back to normal in a few days. Even temporarily, it isn't good for fish or other aquatic creatures in the streams, but there is not a lot we can do about it. Acid rain mostly originates in the west from big coal-fired power plants.

This year we helped sponsor two programs at the library; one about how to live with coyotes, and another about black bears. Both were very well attended. We plan to keep that up in 2016. We are considering also leading some fun "Discover Goshen Outdoors" activities this summer and fall. Let us know if that interests you.

As with all town organizations, we are always hoping for new members or participants in our projects. We are easier to join than most boards and commissions. We meet only a few times a year. Generally we just work together to get things done without a lot of talking about it! So, join us!

*Sandy Sonnichsen, Chair*

Ruth LeClair Trail at Gunnison Lake

# Volunteer Fire Department

**O**n behalf of the Goshen Volunteer Fire Department, established in 1939, I would like to send my sincere appreciation to all that have been a part of the Goshen Volunteer Fire Department over the years. We thank the community for being supporters of the Goshen Vol. Fire Department and attending our events.

For your safety remember to always call 911 to get help. This helps with us getting to your exact location.

2015 has been another busy year for us on the Goshen Volunteer Fire Department. Between the Fire Department and the Rescue Department we responded to 106 Calls for service.

## Calls for Service Breakdown

### 51 Fire Response Calls and 55 Medical / Rescue Calls

Structure Fires in Goshen 0  
Chimney Fires 3  
Electrical Issue 0  
Car Fires 2

Mutual Aid GFD To Fire Scenes 16  
Motor vehicle accidents 5  
Trees on, or wire hazard 2  
Flooding 0  
Public Assist 4  
DHART Helicopter Landings 0  
Fire /CO Alarm 3  
Illegal Burn 2  
Forestry fire calls Goshen 1, M/Aid 6

### The 51 FIRE RESPONSES {Excludes \* Below}

M/AID rec'd direct to Goshen scenes .4\*  
M/AID to Goshen for station coverage.6\*  
Medical / Rescue Calls (55) are not broke down due to  
privacy or confidentiality requirements  
Monthly: Business Meetings 12, Work Details 12,  
Department Trainings 12

## Hours Served in 2015

The members of the Goshen Fire Dept. put in an accumulative amount of over 2,500 hours of service to the Town of Goshen. This includes actual trainings, meetings, and work details with equipment and truck checks, as well as responding to calls for service at all hours and in all weather condi-

tions throughout the year. This is a total increase of 750 more hours compared to 2014 that our dedicated crew of Volunteer Fire Rescue personnel participated in 2015.

In 2015 Goshen Fire Department did our monthly in house trainings as well as several area trainings that included a large vehicle MVA with our Mutual Aid Partners and SG Reed Recovery. We also participated in a water supply drill with Lempster and Washington. We have had 2 fire fighters in the 6 month long NH Fire Fighter One class in Keene, and two attended the 8 week EMR course in New London. Our personnel have also attended additional in house and certified trainings in 2015.

Goshen Rescue Personnel continue to be a big part of this organization. Besides the fire departments activities that they participate and train in, they also step up and do the extra Medical and EMS Trainings to keep, or get EMT Medical Certifications. They maintain, inventory, and supply Goshen with the needed medical equipment for a medical call. We respect the extra trainings, meetings, and calls this group participates in, resulting in a few extra nights away from home each month. We are always looking to add new members to our EMT staff so please feel free to contact a member for further information on joining and helping your neighbors.

## 2016 Budget Request

The Goshen Fire Department has continued to hold our regular operating budgets within reason for many years. Beyond our budget request for 2016, this year we have requested a warrant article to purchase 10 pagers and chargers at the total cost of \$5,000.00. Your support of this item would be greatly appreciated at Town Meeting. Of the Fire and Rescue Personnel that took advantage of the stipend pay in 2015, they were all happy to receive a check right before Christmas. This is the 3rd year of this program and

has shown an increase of responders to the calls, meetings, trainings, and work details. Your support at town meeting is always appreciated. We also request your support of the line items for the capital reserve funds for the future purchases for the town.

## 2015 Membership

We have had a very positive influx of 6 very good new members joining Goshen Fire Rescue Department in 2015 bringing our total to 18 Active Members. Goshen currently has 8 Certified Fire Fighters, 2 EMT's, 1 EMR, 7 additional Firefighters with different levels of trainings, plus 3 semi active Honorary Fire Fighters, and a clerk. We are always looking to add new members so please feel free to contact a member, or the Chief for further information on becoming part of our team of dedicated Volunteers.

In 2015 Past Chief Ricky Shepard and Deputy Chief John Herr both retired from the Goshen Fire Dept. Thank you for all of your years of dedicated service to the Goshen Fire Department as well as the people of Goshen.

The Goshen Fire Services Association, PO Box 304, Goshen NH 03752 is our support organization that puts on our annual Chicken Barbecue. The association also usually buys an item, or two for the Fire, or Rescue Departments that we do not have. In 2015, The Association Purchased New, PPE Gear Rack Sectional Lockers for the fire station. Now each Fire Fighter has a dedicated location for his, or her gear. Estimated value of this donation was close to \$3,800.00.

If you want to donate to Goshen Fire please make your donations to Goshen Fire Services Association. Thank you to all that have donated to supporting this local organization. Also be advised our 2016 Fund Drive mailer will be coming out in the mail soon and all funds received go directly to this organization.

We are always looking for members for this association as it has a support role at major fire calls and events and has a meet-

ing once a month. On behalf of the GVFD thank you all for your commitment.

## 2015 Equipment Evaluation

In 2015 we had our yearly maintenance done on all of our air packs. These will be coming up for replacement in a few years. This year we replaced 1,500 feet of attack hose and bought a hose rack for spare hose for the station. We purchased a large water supply valve for Engine 1.

## 2015 Truck / Equipment

1989 Mack Engine / Tanker 1. In 2015 we did have a higher maintenance on this truck. This has worked well in town and has gone out on numerous mutual aid fire calls. This truck features a 1000 GPM Pump and a 1500 Gallon water tank. In the future, this will be our next truck to be upgraded for the town.

2008 E-One Pumper Engine 2 is our front-line fire attack piece of equipment. This Truck Features A 1250 GPM Pump and a 1000 Gallon water tank. This truck experienced no major issues in 2015 and is still operating at top notch. In 2016 it will be going in for Pump Testing and certification.

Goshen's Rescue 1, 1991 Ford F-550 is operating very well and is being used on most calls. It responds to rescue and medical calls, car accidents, and building fires. The Generator and Light Tower on this truck have been very useful at night time incidents providing a safer work scene. In 2016 we will be updating and replacing the spot lights on the light tower.

Goshen's Forestry 1 is a 1990 Ford F 450 AWD MINI PUMPER. This used truck was purchased in 2015. It has a 250 GPM pump, a foam induction system, and it carries 250 Gallons of water plus a tank with 15 gallons of foam. It also came with a 8000 lb front Winch, a generator, 2 electrical cord reels, and 2 light towers, and a six month warranty and low miles. We did have a few issues with the truck that were taken care of under warranty when we first received it by the dealer. We have outfitted this truck with 3000 feet of

forest fire hose, portable pumps, and numerous forest fire tools. We also had a modification to the deck done so the Cold Water Ice Rescue sled could be carried on it. So far this truck is working very well for our needs in Goshen and has responded on several mutual aid fire calls in 2015.

Goshen's Forestry 2, 1968 Ford F250 4X4, was moved to reserve status after the purchase of the new used Forestry Mini Pumper.

### 2015 Fire Station Upgrade

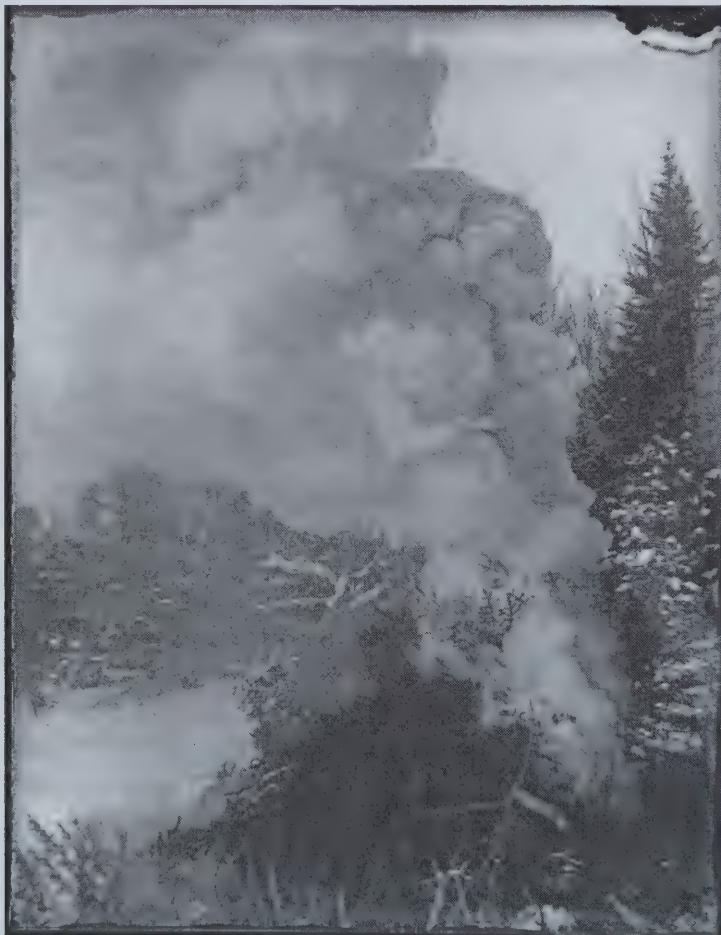

The town replaced the old oil furnace with a new ceiling mounted propane fired heater. The removal of the old furnace and oil tank from the building created some well needed space for use in the station.

In closing it is a pleasure to work for and in the Town of Goshen. I would also like to

thank the Dedicated Fire Fighters and Rescue Personnel and our Mutual Aid Departments. Also Cindy Rouillard in the Selectmen's office for her help, the Selectmen, Goshen Highway Department, Goshen Police, plus the many other town employees, residents, and taxpayers that do care and support the Goshen Vol. Fire Dept.

If you would like a tour of the fire station and equipment for yourself, or children and you see fire fighters at the station, you are always welcome to stop in as we always try to make time for tours for the kids, or adults. Do not forget your cameras as a child always loves to see a fire truck up close. Tours can also be scheduled by contacting a member of the Fire Department. Enjoy and stay safe.

*Thank You  
Daniel Peterson  
Goshen Fire Chief*

Collection Goshen Historical Society, c. 1898

## Forest Fire Department

**A**s always I like to thank the community of Goshen for their continued support of the Goshen Forest Fire Department. It is also important that I do thank the Deputy Wardens for all the extra time they put into this department and the Fire Fighters here in Goshen that give so much and ask for so little.

Your Forest Fire staff is Warden Daniel Peterson, Deputy Wardens, John Herr, Ricky Shepard, Chris Moen, Gordon Bartlett, Jack Warburton, John Hopkins, Janny Kowynia, and Bob Johnson.

The annual spring Warden / Deputy Warden Trainings were held at Wilmot and Lempster Fire Stations this year. The Goshen Fire Department continues to host the July dinner and meeting of the Grafton Sullivan Forest Fire Wardens Association. Special thanks go out to the many volunteers of the Goshen Fire Services Association for their assistance at this event.

Over the past year we did issue around 200 fire permits in the Town of Goshen. We thank you for extending your courtesy to our families and to call ahead of time for your fire permits.

The Fire Weather conditions in 2015 were some of the highest in many years in the Northeast. Fortunately in 2015 we did not have any major forest fire incidents in Goshen, but we did respond Mutual Aid twice each to both Lempster and Newport for Forest / Brush Fires. We also went M/A to Newport for a remote logging equipment fire. Thanks to all the responders that helped at these scenes as you never know when we will need our Mutual Aid partners in return to Goshen.

When you are disposing of hot ashes please make sure they are in a metal container and covered to cool. Never store ashes in a cardboard or plastic box. Never leave them on a porch, or near your buildings. It is important to keep a green space around your home and to keep the area around your Outdoor Furnaces and fire pits cleaned up.

Another type of incident that can cause us problems are illegal campfires out in the area of class six roads. Quite often these

### Call 911 for any and all EMERGENCY CALLS in NH

Goshen Fire Rescue and Forest Fire Department personnel are dispatched through SWNHDFMA, located in Keene NH. The non Emergency number is 352-1291.

Goshen Fire Station Non Emergency number is 863-2525 or by chance.

**FOR FIRE PERMITS IN GOSHEN PLEASE  
CONTACT ONE OF US AFTER 5 PM:  
DAN PETERSON 863-4506, 454-4117,  
CHRIS MOEN 865-5016,  
JACK WARBURTON 863-2575**

fires are not extinguished prior to the people leaving. This puts Goshen in a potential danger for a large forest fire. So if you see something out of the ordinary, please call 911 and have us come out and inspect, and put the fire out. Please extinguish your fires with water do not bury them to put them out. When you do that they usually flare back up after you leave them.

I do like to remind you that you are responsible for any fire that you light. Per NH State laws you could be held financially responsible for any cost to extinguish any damage associated with a fire that gets away from you, or caused by you. NHDES also reminds you that it is illegal to burn any trash, plastics, painted wood, plywood, furniture, or demolition debris. None of the listed items should ever be burnt in a brush pile, a woodstove, or an outside furnace. It is best to dispose of them at the transfer station. This keeps the carcinogens and dioxins pollutants out of the air and water.

In 2015 the Town of Goshen purchased a 1989 Ford F450 Mini Pumper AWD. The purchase of this truck was approved by the Selectmen and Fire Chief. The funding came from the money that was in the capital reserve fund for the Forest Fire Fighting Vehicle. This truck has already been utilized on many calls and has been a very good addition to our fleet.

*Warden Daniel Peterson*

## Highway Department

**T**he Highway Department had a busy summer ditching, and replacing old crushed and rusted steel culverts which have reached the end of their useful life. It took six weeks this past summer to ditch and remove 60 loads of material from Old Province Road, and to replace three culverts. Culvert replacement on other roads in town will continue in 2016.

When possible, work will focus on cutting brush and tree limbs along Center Road in preparation for reconstruction of a section of the road in 2016.

The town's highway equipment is regularly maintained by the department employees, who also perform all of the major mechanical repairs that can be done in the town garage (often with their own tools). This year was challenging. The 2001 Mack plow truck rear end had to be rebuilt. The 2008 one-ton Chevy had a cracked frame which had to be welded (this vehicle should be replaced soon while it has a decent trade-in value). The excavator was vandalized last fall, which necessitated replacing all the windows; new sprockets and chains are scheduled for next year. Fortunately the 2002 International, bought last year, only needs routine maintenance. It is the work horse used for plowing and salting, and is

used almost every day.

The department bought a ten-foot pusher plow for the backhoe this year from their equipment operating budget. This is designed to catch and carry excess snow which falls from the sides of the backhoe, and cuts in half the time it takes to plow the fire station, town hall and transfer station.

The town of Plainfield plans to buy a larger chipper and when they do Goshen is first in line to make an offer on their current chipper which is in good shape. At present the highway employees routinely use a chipper at a cost of \$880/week to rent, and is not always available when needed. The town would eventually save money by having its own chipper. The chipper at the transfer station belongs to Kevin and can no longer be used for town work because it does not meet state specifications for safety features.

An application was submitted to the state for matching money to rebuild the bridge on Mummery Road, but a long wait on this project is anticipated.

A new project for the highway crew this summer will involve removing and replacing 75 sign posts and signs on Goshen's roads to comply with state code.

*Kevin Bevilacqua, Road Agent*

Center Road, 1898  
Collection Goshen Historical Society

## Historical Society

The Goshen Historical Society continues to document and archive a variety of material in its collection. To date a total of 996 items have been entered into a database and are stored in 76 archival boxes which now fill the two fireproof safes in the town hall office. Much as we would like a third safe to house the remainder of the collection, cost and space prohibit this.

We have come across some very interesting letters which give a personal glimpse into the past. For instance, a collection of letters by John William Gunnison which span the years 1832-1853 document his survey trips, career, and family concerns. We know Gunnison to be a hero, but probably don't know that he experienced illness on a survey trip and survived solely by eating rabbit, or what his thoughts were when away from family or that he chastised his wife for changing her church affiliation. Other letters, exchanged by clergy in the late 1700's, detail parish problems and share advice. World War II is detailed with humor and clarity by four Nelson brothers who served at home and abroad. Some very faded letters, written by a young man to his sweetheart (we presume) while he was stationed in Manilla during the Spanish American War, contain comments that probably would be omitted from a history textbook.

This year the Historical Society partnered with the Olive G. Pettis Library to sponsor a "Family Stories" NH Humanities Program for the public.

As we near the end of our archiving project we hope to transcribe and publish some of the more interesting material we have discovered in Goshen's collection.

We would also like to build on the oral history efforts of past members. Audio tapes in our collection were transferred to DVD's this year, and several people have conducted interviews with Goshen "natives."

We need help transcribing written and recorded material!!! If anyone is interested please contact Bea at 863-2788.

## Library

Our very busy year began with a gorgeous art exhibit of student works on loan from the Fermata Arts Foundation. In January forty pieces – paintings, sketches and fabric creations from the Republic of Georgia – graced the walls, windows, doors and ceiling of the Library through mid-February. Supplementing the Fermata exhibit were samples of art by our Goshen and Lempster students K - 12. The Librarian and members of the Library Teen Council produced a video of the exhibit which may be viewed at <http://youtu.be/0is-CIVqmm1s>. More than 80 visitors enjoyed the show; a reception hosted local students and their parents to close the event.

With the success of the 2015 exhibit, the Library hosted a second in January/February 2016 – with art from Kyrgyzstan students and extra works again from our local students – another successful endeavor. A link to the 2016 exhibit will be posted on the Library web site and Facebook page (<http://goshenlibrary.org> and on Facebook: Olive G Pettis Memorial Library).

We continue to host two monthly book groups – one midday and one evening – reading titles ranging from *The Undomestic Goddess* by Sophie Kinsella to *Unbroken* by Laura Hillenbrand and much in between. Good books, good groups, good discussions. We also have a book group for our younger patrons.

Every Friday morning is Story & Craft time for preschool tykes and their parents. Middle and High school students participated in after-school programming for their age groups through the end of the 2014-2015 school year. With the change in school systems in September 2015, the after school programming went on hiatus but returns in April 2016.

Student involvement continued with our 5th annual Summer-Library-Camp Week. Nine teenage councilors and twenty student campers participated in five days of programming focusing on science, technology, engineering, arts and math [STEAM]. And of course a lot of reading and journaling.

The Library presented three New Hampshire Humanities-To-Go grant programs: NH Poet Laureate Alice Fogel *Let Poetry Get to You*; Martha Donovan & Maura MacNeil *Writing Your Family Story* (co-sponsored with the Goshen Historical Society) and anthropologist Robert Goodby *Digging into Native NH History*.

Two independent presentations were made possible with generous assistance from the Goshen Conservation Commission: Ben Kilham *NH Black Bears* and Christine Schadler, from Project Coyote, *Becoming Wolf: the Northeastern Coyote*. Each of the programs was preceded by a sit-down potluck and followed by animated Q&A sessions and, in some cases, book sales by the presenters.

Trustees and Library Friends produced ten Adult Workshops this year, approximately two per month. Participants learned how to use Ancestry.com and HeritageQuest.com which can be accessed for free at the Library through our consortium subscription with the NH State Library.

There were hand-sewing/quilting classes, clay tile-making; folk-art snowmen, wind-chimes and luminaries; acrylic painting and even pumpkin carving classes.

One-to-one sessions on the use of Facebook, internet job searches and tax preparation were offered by appointment.

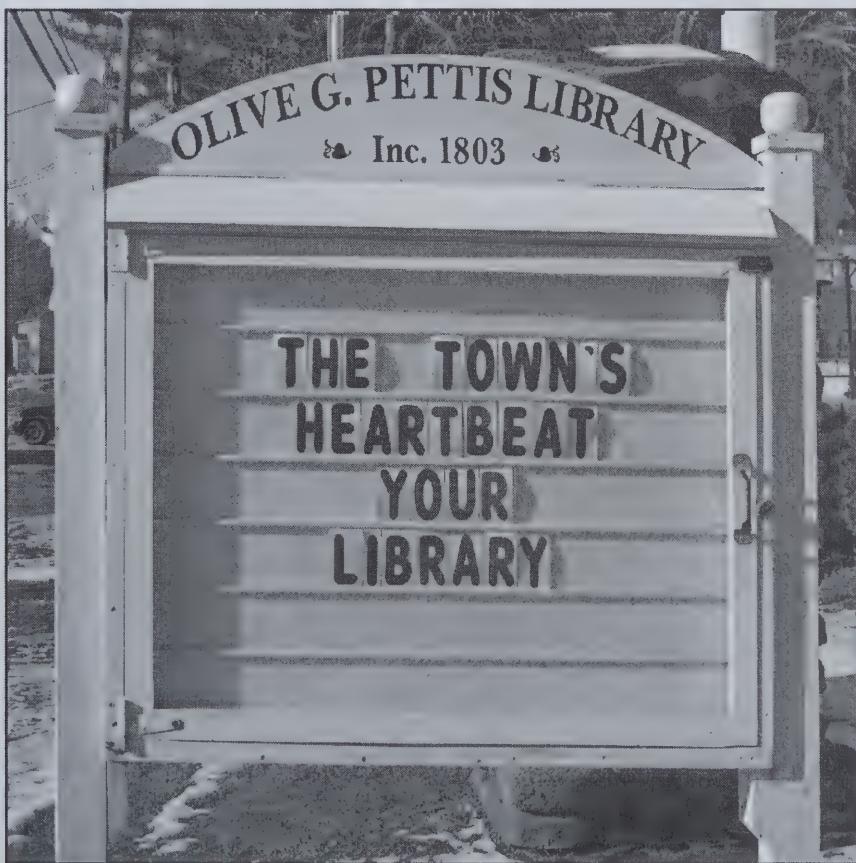

Another offering through a NH State Library consortium is access to free e-book and audio-books through the NH Downloadable Database powered by Overdrive. Library card holders can download thousands of books, audios and magazines to their computers, smart-phones, iPads and other platforms – all it takes is a current library card.

We continue to host our Rabies Clinic [thank you Goshen Fire Department for the space], Easter-egg Hunt, Scarecrow Build, Christmas Crafts & Cookies and Light-the-Heart of Goshen candle display [thank you Lumber Barn for the batteries] as well as three book sales annually.

Library hours get adjusted as we hear from patrons asking for more convenient access. We are currently open Monday and Wednesday 4:00 -7:00, Tuesday and Thursday 9:00-12:00 and 4:00-7:00, Friday 9:00-1:00 and the third monthly Saturday 9:00-1:00.

We believe that the Library provides a great service to the community and we continue to hope that more of our neighbors will come in and experience the growth and changes for themselves. We're a little building with a big heart, a lot of activity and the goal of offering all a place to Read, Dream, Believe & Succeed.

*Respectfully submitted,  
by the Library Trustees and the Librarian*

## Planning Board

The year started with welcoming Bruce Nadeau to the Planning Board and Judy Dunn to the Zoning Board of Adjustment. We also welcomed Melissa Sali-nardi as the Planning Board Secretary. As of now The Zoning Board Secretary position is open. Anyone interested can contact the Board Chair at 863-6864.

The Planning Board meets the first and third Thursdays of the month. If there is little business to conduct one of the meetings can be cancelled. Cancellations are posted in the Post Office, Town Office and web site. The Zoning Board meets on the second Wednesday of each month or as needed.

This past year the Board approved three minor Subdivisions, and Phase II excavation permit for Newport Sand and Gravel at the Andersen Pit. This Phase II excavation is expected to last three years. The Board continues to inspect the Andersen and Davis pit

excavation sites in October every year. Any one is welcome to attend these visits. All visit dates will be posted.

The Planning Board has finished updating the Zoning Regulations, Master Plan, Driveway Regulations, Subdivision Regulations, Fee Schedule, Application forms, and created the Capital Improvements Plan in the last two years. The Board is in the process of reviewing the Building Regulations. This will be the final Regulation to be updated until the Board deems it necessary.

The coming year appears to be quiet unless something happens at the State level in approving the Mount Sunapee expansion. If this happens it could still be several years before it comes before the Board.

*Douglas O'Clair  
Planning and Zoning Chair*

## Police Department

**T**his year was a very busy year for the town of Goshen and the members of the police department. Our calls for service were 1,190 which was higher than 2014. We strive to give the best coverage for the town at the lowest price possible.

I would like to take this time to explain to the readers how this department operates. Some residents are under the misunderstanding that we have a full-time police department (24/7 coverage). That is much different than having an officer who works 32 hours per week and part-time officers who fill in shifts and cover calls when needed.

We average 40 hours per week of coverage on the road. There are weeks that we have officers on for as many as 60 hours per week due to call volume and caseload. The benefit of operating this way to the taxpayers of Goshen is the on-call time that Officer Lamson, Officer Heath, and I, myself, cover. All on-call hours that are covered come to the residents at no cost unless there is a call for service. Many towns pay their officers a small wage for their on-call time. For example some departments pay as much as \$5.00 to \$8.00 per hour for on-call status. At times when we are unable to cover calls, State Police responds. However, this is a rare occasion and we make every attempt to cover our own calls in Goshen. In 2015 we had over 100 call-outs, which were covered during on-call status.

There are times when State Police are not available to cover a call in Goshen. One example is an occasion when Goshen officers were not available due to illness and we had to place State Police on call. A call for service came in at 2 am on a Sunday morning for a violent assault in progress. I was contacted at my residence by dispatch that State Police was not available to respond. After learning what the nature of the call was, I responded even though I was sick. State Police Dispatch did contact me on the

radio and told me that they were sending a backup Trooper from Epsom, NH, as that was the closest Trooper they could find. Fortunately, with the new relationship we have with the Newport Police Department, they were able to send an officer to assist in the arrest. It is not uncommon for a Trooper to not be available in the Sullivan County area during those hours.

We do not have set duty hours in town. The department is run this way because we do not want a routine police department. Routine hours let criminals know when and sometimes where officers will be. I can say, however, that on many occasions I am on patrol at night and often work until 3 am at certain times that criminal activity is prevalent.

While I am out on the roads checking our parks and swimming areas at 1 am, I do not hear other local communities with officers out at this time. Because of the unpredictable and diligent patrols, we have curbed the issues of littering, criminal mischief complaints, and drug use on our back roads, pull offs, parks and town properties. These areas do not have the amount of illegal activity as they did 15 years ago because of the continued presence of the Goshen Police Department. The drawback of evening patrols is that we get some inquiries as to why we are not out in the community because those are hours we are not necessarily seen by the residents.

In 2015 we concentrated on more road patrols and conducting traffic enforcement. Traffic enforcement not only helps in making the community aware and slow traffic down, but also sends a message to criminals as they drive through town. A study was done some years ago that explained that a single traffic stop on the roadside with blue lights on affects an average of 10 motorists driving by. It also sends a message to the public that we are out patrolling at all different hours. If you look at the 2015 stats, we averaged about one traffic citation for every

three stops. A warning in many cases is just as effective as a traffic citation. 2015 showed a significant increase in traffic stops from 2014.

In 2015 our arrests were up nearly 50%. Our arrests varied from felony drug arrests, theft, domestic assault to minor arrests for driving on a suspended license. We also arrested six impaired drivers by alcohol or drugs off our roads this year.

As of writing this report, our 2013 Ford Cruiser has 37,000 miles and our 2016 Dodge has 5,100 miles on it. It has always been my goal to be sure the Town's equipment is maintained and kept in the best shape possible. We average 9 to 12 years on our patrol cars. By keeping up with maintenance and the condition of the vehicles, we benefit in the end. In 2015 we were able to get a value of \$10,000 on a used, trade-in patrol car. This is unheard of in police service of a 9-year-old vehicle.

I continue to enjoy serving the town of Goshen and providing the best service possible. I end with our budget for the department, which in total is less than what an average town pays for one officer with benefits for 40 hours of patrol. The police service is a changing field and many communities are finding it impossible to find applicants to fill positions. The Goshen Police department continues to maintain unmatched service with its officers. We have four officers who have a combined 83 years of law enforcement experience. Our goal is to keep Goshen safe and keep it a safe place to live. I continue to have an open-door policy, and as many residents know, you can contact me on my personal phone. If you have a concern, feel free to contact me at any time.

*Sincerely,*  
Chief Edward G. Andersen

## Select Board

**T**he Select Board would like to take this opportunity to thank town employees, town officials and the numerous volunteers for their support and continuing efforts during 2015 to support the town and help it move forward. This was a year of implementation for plans developed during 2014. Some major events consisted of:

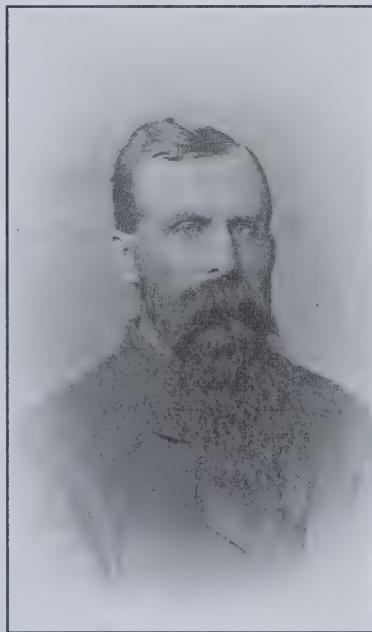

- ◆ The transition of Goshen's students into Newport and other school systems. Thanks to the planning and hard work by SAU #71, the Newport school staff and the Goshen School Board this transition went forward very successfully.
- ◆ An SAU withdrawal study committee was formed to evaluate the option of Goshen withdrawing from SAU #71. It was determined that it is in Goshen's best interest to withdraw from SAU #71 and form a new SAU. The plan for this withdrawal was submitted to the State Board of Education and approved. It is now waiting for approval by Goshen voters at the next Goshen school district meeting.
- ◆ The town continued with efforts to improve the town's infrastructure with the installation

of fire alarm and security systems in town buildings.

*The Select Board would like to offer thanks and best wishes to Selectman Ed Anderson Sr. who is retiring from the Goshen Select Board after many years of service to the town.*

The Board thanks everyone for your support and help during the year. It has been a pleasure to serve as your Select Board and we look forward to continued forward progress in 2016.

*Respectfully submitted  
Robert Bell, Chairman  
Ed Anderson Sr.  
William (Chip) Ball*

## Tax Commitment Verification

### 2015 Tax Commitment Verification - RSA 76:10 II

Description	Amount
Total Property Tax Commitment	\$1,743,969
1/2% Amount	\$8,720
Acceptable High	\$1,752,689
Acceptable Low	\$1,735,249

If the amount of your total warrant varies by more than 1/2%, the MS-1 form used to calculate the tax rate might not be correct. The tax rate will need to be recalculated. Contact your assessors immediately and call us at 603.230.5090 before you issue the bills. See RSA 76:10, II

<b>Commitment Amount</b>	
Less amount for any applicable Tax Increment Financing Districts (TIF)	
<b>Net amount after TIF adjustment</b>	

**Under penalties of perjury, I verify the amount above was the 2015 commitment amount on the property tax warrant.**

<b>Tax Collector/Deputy Signature:</b>	<b>Date:</b>
<b>Requirements for Semi-Annual Billing</b>	

### Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

Goshen	Total Tax Rate	Semi-Annual Tax Rate
Total 2015 Tax Rate	\$24.91	\$12.46

## Fund Balance Retention

<b>Enterprise Funds</b>	<b>\$0</b>
<b>General Fund Operating Expenses</b>	<b>\$2,115,410</b>
<b>Final Overlay</b>	<b>\$6,631</b>

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your government's own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." [2],[3]

[1] The National Advisory Council on State and Local Budgeting (NACSLB), (1998), *Framework for Improved State and Local Government Budgeting: Recommended Budget Practices (4.1)*, pg. 17.

[2] Government Finance Officers Association (GFOA), (2009), *Best Practice: Determining the Appropriate Level of Unrestricted Fund Balance in the General Fund*.

[3] Government Finance Officers Association (GFOA), (2011), *Best Practice: Replenishing General Fund Balance*.

### 2015 Fund Balance Retention Guidelines: Goshen

Description	Amount
<b>Current Amount Retained (12.69%)</b>	<b>\$268,541</b>
17% Retained (Maximum Recommended)	\$359,620
10% Retained	\$211,541
8% Retained	\$169,233
5% Retained (Minimum Recommended)	\$105,771

### 2015 RSA 198:4-b II School Fund Balance Retention Guidelines: Goshen

If a school district has adopted RSA 198:4-b II by a vote of the legislative body, the school district may retain year-end unassigned general funds in an amount not to exceed, in any fiscal year, 2.5 percent of the current fiscal year's net assessment pursuant to RSA 198:5, for the purpose of having funds on hand to use as a revenue source for emergency expenditures and overexpenditures under RSA 32:11, or to be used as a revenue source to reduce the tax rate. This retained fund balance is not cumulative. The maximum allowed fund balance retention has been calculated as:

	Net Assessment	2.5% of Net Assessment
Local School	\$1,021,714	\$25,543
